Air baths can be installed on any of the Andrea Sculpted Finish tubs, regardless of the number of sides specified.

Microbubbles system components must be installed on a non-Sculpted Finish side. Components will extend beyond the perimeter of the tub. For more customized applications, additional hydrotherapies may possibly be integrated in an Andrea Sculpted Finish tub, depending on the types of therapy and the installation application. Visit mtibaths.com or call MTI at 800.783.8827 for specific details regarding the desired installation before placing the order.
