

Drain & Overflow Kits for Acrylic Tubs

MTI has a variety of drains kits available for each tub. Drains and overflows are not installed at the factory, unless otherwise indicated on tub specification sheets. Please specify tub model when ordering drain kits separately.

For information on drain & overflow kits for Boutique Collection tubs, see individual tub specification sheets.

NOTE:

When ordering a cable drain, you must specify the tub model with which it will be used to ensure that you will receive the correct cable length.

* Allow 2-4 weeks lead time for Special Finishes. Send sample for matching.

† Oil Rubbed Bronze finishes vary from manufacturer to manufacturer. MTI has selected a finish that is compatible with many available. If an exact match is desired, submit a sample and MTI will match it. Special Finishes lead-time and upcharge will apply.

Note: Proper drain installation is the responsibility of the installer. MTI's tub warranty does not cover drain leakage.
