

## Sink Bottom Covers

- Sink Bottom Covers conceal the drain and add a distinct, streamlined style to either Counter-Sinks, Vanity Sinks or Lavatory Sinks.
- Covers are easily removeable for cleaning, and are made from non-porous SculptureStone™.
- Feature small rubber feet to prevent scratching of the sink bowl.
- Available in White or Biscuit, and can be Matte or Gloss finish.
- Also available in one of 8 Boutique exterior colors for an extra splash of color.
